- If you do bring firewood, Hide-a-Way Campsites follows DEC rules regarding the transportation of firewood. Firewood can only be brought into the campground if it originates within a 50-mile radius of the campground and you are not crossing any state lines. If purchasing and transporting untreated firewood, it must have a receipt or label that identifies the firewood source, and it must say "New York Approved Heat-Treated Firewood/Pest Free".
- You must have a DEC "Self-Issued Certificate of Origin" filled out prior to your arrival. "Self-Issued Certificate of Origin" is available on the DEC website. <https://dec.ny.gov/nature/animals-fish-plants/invasive-species/terrestrial/firewood>
